MEMORANDUM FOR THE PRESIDENT

Subject: The Science Adviser's Technical  
Review of Five of the US-USSR  
Bilateral Specialized Agreements

To assist the Under Secretaries Committee in carrying out its continuing responsibility for monitoring our agreements for technical cooperation with the Soviet Union, Dr. H. Guyford Stever has prepared a technical review of those five agreements for which the initial period of validity expires in 1977. These agreements are in the areas of Science and Technology, Environmental Protection, Medical Science and Public Health, Artificial Heart Research and Development, and Exploration and Use of Outer Space for Peaceful Purposes. A copy of Dr. Stever's review is attached.
